We take this opportunity to thank our customers for their kind patronage and letters of commendation of our stock and treatment. We guarantee all stock true to name, healthy and to grow if cared for upon arrival and after planting. We have always cheerfully replaced or refunded on any that proved otherwise and will continue to do so. Notify us if anything is unsatisfactory when received, and we will be only too glad to adjust matters to your satisfaction. Our aim is to list only the most meritorious varieties. A general idea of their worth may be gleaned from their ratings. We grow many other varieties including most of the latest and successful introductions, some in insufficient quantities to list, others held for further testing. Your problems are our problems, and we welcome letters of inquiry as to growing or selection.

## **DAHLIAS**

Ratings on dahlias are our own, based on results obtained in our gardens.

Rooted cuttings will be sent out at 4/5 the price of plants, where plants are listed. Our rooted cuttings are really small plants, shipped with soil removed. We consider rooted cuttings superior to large plants, unless the plant has been shifted to a large pot at an early age. Directions for their care sent with all rooted cutting orders. Unless otherwise ordered, rooted cuttings will be shipped about May 1st, tubers May 10th, plants May 25th.

On orders for less than \$1.00 send ten cents for postage. Plants sent more than 500 miles, send 25c for special handling postage. We recommend spraying at least once a week with Red Arrow.

Varieties marked (\*) subject to a discount of 50% under the following conditions: One tuber net, additional tubers of same variety or any other starred varieties at half price: example 1 tuber 50c, 2 tubers 75c, 3 tubers \$1.00, etc., or one tuber \$1.00, 2 tubers \$1.50, 3 tubers \$2.00, etc. On orders including both 50c and \$1.00 varieties, \$1.00 net will be charged for first 100 variety, the rest at half price.

Varieties marked (†) are subject to a 50% reduction when net order is \$5.00 or more.

## **DAHLIA SEED**

We will have a few packages of dahlia seed grown for us on the Pacific coast. Price \$3.50 per hundred. Recent results convince us that this seed is on a par with seed costing twice as much.
